

This letter is to introduce you to the South Bay Force FC. The South Bay Force provides an opportunity for the best young soccer players in the area to compete against top teams in Southern California, as well as the Western Region. This high caliber of soccer training and competition allows each player to develop not only quality athletic skills and habits, but also sportsmanship, teamwork, and a sense of community. It helps them to strive to improve themselves personally, and become proud of what they can accomplish.

Our goal is to develop well-rounded players, whose academic and playing abilities enable them to achieve State, Regional, and US Olympic Development Program (ODP) placement. We provide support, guidance, and recommendations to players and families who want to pursue college scholarships, as well as high school, college, Olympic, and professional playing opportunities.

The club consists of more than 675 boys and girls, on about 50 teams, ages 7 through 18. We compete in the Coast Soccer League, which is affiliated with the CYSA-South and the United States Youth Soccer. The CYSA-South is the most competitive youth soccer association in the country, claiming many national championships in the twelve age divisions over the past several years. The club brings families into the area from all over Southern California for tournaments, instructional soccer camps, and games on a weekly basis. Many people who are committed to helping out in the local community, run this organization through countless hours of volunteer work.

The cost of uniforms, tournaments, league fees, referees, field lights, field rental, goals, insurance, and other expenses exceed what many of the player's families can afford. In the past two years, our club has awarded over \$60,000 in scholarships to some of these deserving and hard working players.

Your contribution towards Team & Club Sponsorships are tax-deductible and can help provide financial support in maintaining this important, non-profit, community program. Individual Player Sponsorships are accepted, but are not tax-deductible. We hope you will find it rewarding to support, in any way, our efforts on behalf of the youth in our community. Your contribution is greatly appreciated. Federal Tax ID # 26-2317565. Checks should be made payable to: South Bay Force, and mailed to: PO BOX 10098, Torrance, CA 90505.
